

Coronavirus Safety Procedures

At Westmanstown Conference and Events Centre the health and safety of our customers and employees are our number one priority.

We do whatever we can to help stop the spread of this virus and make sure our customers and employees are provided with the highest level of cleanliness and best hygiene practices during their time spent at Westmanstown.

**Measures and practices introduced by
Westmanstown Conference and Events Centre:**

Westmanstown
Conference & Events Centre

Reception / Public Areas

- All public areas cleaned with increased frequency.
- All high touch areas sanitised regularly.
- Electro spray disinfectant cleanse technology utilised in all public areas.
- Purell Hand Sanitiser (70% alcohol) dispensers are installed throughout public areas – corridors, lifts, toilets, and high traffic areas.
- Disinfectant wipes available wherever contact with a surface might be necessary.
- Microshield® Footbaths – entry mat containing disinfectant solution to ensure decontamination of footwear – placed at main entrances.
- Handsfree door openers installed at all public area doors.
- Social distancing measures introduced in all high traffic areas and where queuing might occur.
- Signs throughout the building reminding customers of best hygiene and preventive practices.

We closely monitor any announcement and guideline from all relevant authorities and implement suggested safety measures immediately

Westmanstown
Conference & Events Centre

Team

- Staff members continuously trained on new procedures.
- We promote all preventive measures in our staff areas as well, including:
 - Regular hand washing
 - Use of hand sanitiser
 - Social distancing
 - Frequent cleaning and disinfecting
 - Respiratory hygiene
 - Sufficient stock of PPEs
- Executive committee and staff meet regularly to share ideas and new ways to protect each other and our guests.
- Westmanstown has put in place a plan to deal with suspected cases of Covid-19, including:
 - Isolating the person(s) in preselected rooms.
 - Ensuring means of communication.
 - Contacting and cooperating with the HSE.
 - Contracted with a professional cleaning company to clean rooms used for isolation.

We closely monitor any announcement and guideline from all relevant authorities and implement suggested safety measures immediately
